

# MORE FUN CLASSES TO CHOOSE

## 166 FOURTH OF JULY FUN

Corrine Siena

Session 1

Grades k,1,2,3,4

Happy Birthday America! Come celebrate the biggest birthday of the year with three days of fourth of July fun! We will celebrate by making red, white and blue crafts such as Fireworks, firecrackers and portrait of Lady Liberty. We will explore many of our country's icons and finish the 3 days by making a one of a kind "handmade" flag.

## 167 MAKING A MESS

Corrine Siena

Session 2

Grades 1,2,3,4

Do you like playing with slime? Getting messy with paint and other materials. Then, join our class. Each day we will create works of art with the help of motion and gravity. We will use unusual tools and try adventurous materials. We will make our own clay and paint, use odd things to paint with. We will roll up our sleeves and make our own slime, goop, snow and see how stuff from home can really turn into a bouncy ball.

## 168 LET'S GO CAMPING

Corrine Siena

Session 5

Grades 1,2,3,4

Have you ever wanted to go camping? Join us for a four day camping adventure! Campers will pitch tents for our indoor campsite, build a fireplace and make nature journals all on our first day. We will also learn about birds and bugs, go on two hikes and make many camp crafts. On our last day, we will transform our campsite into night for star gazing, campfire stories, flashlight tag and more!

## 169 UNDER THE SEA ART ADVENTURES

Corrine Siena

Session 3

Grades 1,2,3,4,5

©theartstock-146010851

Calling all Mermaids and Pirates. Come join us for an exciting week of Art Adventures. Make your own treasure chest and fill it with your ocean valuables. We will design a watercolor masterpiece! Capture the ocean and create surprise sea life drawings. We will have daily play in our sand sculpture area and much more in Under the Sea Art Adventures!

## 170 TIE-DYE DAZE

Corrine Siena

Session 4

Grades 3,4,5,6,7,8

Do you love the look of Tie-Dye? Have you always wanted to try it? Or have tried traditional tie-dye and want to do more? Come spend the week trying tie-dye tactics, different types of dyes and a few related fabric dyeing methods. We will spend our week working batik fabric panel all while experimenting with kool-aid dyes, sharpies, rubbing alcohol, ice dyeing and of course traditional tie-dye. Most of our projects will be worked on outdoors for easy clean-up, good ventilation and sunshine drying. You will need to wear Play Clothes and sunscreen daily. Some fabric will need to be family supplied, a supply list will be sent home the first day of the session. All Monday materials will be provided. You will make a minimum of 2 projects per day. Thursdays, we will tie-dye until we run out of material or fabric!!!
