NOTE: This category is for a general policy covering all types of nondiscrimination and relating to students, staff, and others. Federal and state laws apply.

If a policy relates to staff only, to students only, or a particular form of non-discrimination, it is better filed elsewhere. Appropriate codes for such statements are indicated by the cross-references.

Regulations pertaining to all forms of nondiscrimination -- or a procedure all persons can resort to for redress of grievances related to nondiscrimination -- would follow under code AC-R.

Law in most instances requires official School Committee approval of regulations in this area.
