

## **SCHOOL COMMITTEE MEMBERSHIPS**

The Mansfield School Committee will maintain membership in the Massachusetts Association of School Committees, Inc. (MASC).

Through its membership in the state association, the School Committee maintains indirect membership in the National School Boards Association (NSBA).

It may also maintain institutional memberships in regional School Committees (boards) associations and in other educational organizations, which the Superintendent and Committee find to be of benefit to members and personnel.

The Mansfield School Committee will seek to participate as fully as possible in the activities of these organizations. The Committee and staff will use the materials and benefits of institutional memberships to its best advantage.
