

ENGLISH LEARNERS

The Mansfield Public Schools will provide suitable research-based language instructional programs for all identified English learners in grades Kindergarten through 12 in accordance with the requirements of state and federal statutes and Massachusetts Dept. of Elementary and Secondary Education regulations and guidance.

The District will identify students whose dominant language may not be English through home language surveys that identify a primary home language is other than English, observations, intake assessments, and recommendations of parents, teachers and other persons. Identified students will be assessed annually to determine their level of proficiency in the English language.

The District will certify to the Massachusetts Dept. of Elementary and Secondary Education each year those students whose dominant language is not English, including specification of the number of non-English languages identified as dominant languages and the number and percent of students who speak each non-English language as their dominant language.

The District will provide additional information as required by the Massachusetts Dept. of Elementary and Secondary Education to comply with federal law.
