Leave a Legacy Walkway

Our Goal: Create a memorable entrance to Alumni Field and raise funds for a new multi use turf field (beside the student parking lot)

We will renovate the walkway from the High School to Alumni field. As spectators and athletes enter the stadium, they will walk through a series of bricks, commemorating the legacy of our Mansfield community.

Your engraved brick will be there for generations to come.

4 x 8 or 8 x 8 custom brick(s) are limited and will be priced as follows:

4x8 bricks \$100
8x8 bricks \$250
