

Tuesday, April 11, 2023 @ 1:30 PM
 Jordan/Jackson School, Room A102

This meeting is dedicated to sharing and celebrating successes and progress made toward improving school wellness in the school/district and reestablishing our council post pandemic. Success and challenges that have been encountered while working on implementation of the Massachusetts Local Wellness Policy Implementation Evaluation will be addressed. Consideration will be given to any adaptations to the action plan(s) that are needed. We will identify ways to share success with the school and community and review tools and resources for sustaining and strengthening the wellness committee and local wellness policy implementation. If time allows, we will begin to brainstorm priorities for next school year.
