

SMARTS Summer INSTITUTE

PRESCHOOL ARTS PROGRAM

BRENNAN MIDDLE SCHOOL
ATTLEBORO, MA
MON-FRI 8:30-11:30 AM
CHILDREN 3-5 YRS OLD

JULY 8-AUG 2

Each week children will engage their senses in singing, dancing, dramatics, percussion and visual arts activities as they make new friends and develop independence, self-awareness and language growth. Your preschooler's natural love of music, storytelling and imaginative play will be integrated with age-appropriate activities to introduce arts concepts that foster cognitive and social-emotional skills and promote concentration, spatial intelligence and creative thinking.
